Demand Response ridership decreased by 0.6% but Local Fixed Route ridership increased by 5.8%, despite the absence of Saturday services. July is the first month in which comparative ridership statistics include the Tahoe Route from last year and overall Commuter ridership increased by 61.7%.

### AGENDA ITEM 1D Consent Item

### **MEMORANDUM**

DATE: September 1, 2022

TO: El Dorado County Transit Authority

FROM: Matthew Mauk, Executive Director

**SUBJECT:** Remote Public Meeting Provisions of Assembly Bill (AB) 361

### **REQUESTED ACTION:**

BY MOTION,

Adoption of Resolution No. 22-24 regarding the Ralph M. Brown Act and the finding of risk to health and safety of in-person meetings because of the continuing COVID-19 pandemic State of Emergency declared by Governor Newsom

### **BACKGROUND**

The Ralph M. Brown Act ("the Brown Act") provides guidance and requirements for public agencies and local governments in California to hold and conduct business at open and public meetings. The Brown Act ensures the public is involved, informed, and active in the decisions and discussions of local, regional, and state governance. The El Dorado County Transit Authority (El Dorado Transit) Board of Director and advisory committee meetings are held to the standards within the Brown Act and are conducted consistent with the requirements therein.

In response to the COVID-19 pandemic, on March 12, 2020, the Governor issued Executive Order No. N-25-20 that waived certain requirements of the Brown Act including:

- the requirement that the notice of each meeting location be provided for those members of the legislative body (board or committee) participating in the meeting
- the requirement that each meeting location be accessible to members of the public
- the requirement that members of the public be able to address the legislative body (board and committee) at each meeting location
- the requirement that agencies post agendas at all meeting locations, and
- the requirement that at least a quorum of the legislative body (board and committee) participate from locations within the boundaries of the territory over which they exercise jurisdiction.

In accordance with these modifications to the Brown Act, El Dorado Transit has been holding meetings virtually over the Zoom meeting platform since the beginning of the pandemic. These modifications to the Brown Act expired on September 30, 2021.

### **DISCUSSION**

To continue the allowance of the Brown Act modifications and to continue allowing virtual meetings to protect health and safety, Governor Newsom signed Assembly Bill (AB) 361 on September 16th. AB 361 extended these modifications through June of 2024, for any State or Local government agency which is under a declared State of Emergency. Assembly Bill 361 permits remote meetings but requires the following:

- agencies may not close public comment periods for written comments in advance of a
  meeting, but instead only close the comment period at the same time it is closed during a
  meeting
- that agencies must clearly advertise the means by which the public can observe the meeting and offer comments during the meeting via either a call or internet-based option
- the public must be given an opportunity to comment directly, and
- that in the event of a disruption in the broadcasting of the meeting the legislative body (board or committee) would take no further action until meeting access would be restored to the public.

The provisions of AB 361 regarding remote meetings can only be used in the event there is an active, Governor issued state of emergency under the California Emergency Services Act and a legislative body decides by resolution that there is a need to meet remotely. AB 361 also requires legislative bodies to approve by resolution the decision to meet remotely every 30 days.

Given that the Governor's state of emergency presently remains in effect, staff and El Dorado Transit Legal Counsel recommend adoption of the attached Resolution No. 22-24, formally stating that in person meetings of the El Dorado Transit governing and advisory bodies subject to the Ralph M. Brown Act would present imminent risks to the health or safety of attendees, thus invoking the provisions of AB 361 and allowing virtual public meetings. Unless directed otherwise, staff plans to continue to present an updated version of this resolution to the El Dorado Transit Board of Directors for consideration at each upcoming scheduled monthly meeting while a state of emergency exists.

### **MEMORANDUM**

**SUBJECT:** Approve Funding of Operating Reserve Fund for Fiscal Year 2021/22

### **REQUESTED ACTION:**

BY MOTION,

Approve Funding of Operating Reserve utilizing Bike Locker, Advertising and Miscellaneous revenue accounts for Fiscal Year 2021/22

### **BACKGROUND**

On August 4, 2011, the El Dorado County Transit Authority (El Dorado Transit) adopted Resolution No. 11-26 establishing an Operating Reserve Policy and Resolution No. 11-27 establishing a designated target funding level of \$1,500,000 for the operating reserve account.

On April 5, 2018, the Board adopted Resolution No. 18-16 reducing the target level of funding to \$1,000,000.00 using a blended method of \$500,000 held by the El Dorado County Transportation Commission (EDCTC) and the balance held by El Dorado Transit. EDCTC increased their funds held to \$750,000 in FY 2021/22.

The intent of this fund is to create a stable funding source available to offset unexpected revenue shortfalls or increased expenses. El Dorado Transit, as a Joint Powers Agency (JPA) between the County of El Dorado and the City of Placerville does not have access to funds from jurisdictional General Funds or other municipal departments.

### **DISCUSSION**

During the Mid-Year Budget process presented each February, revenue and expenses are analyzed to determine the financial condition of the agency based on the first six (6) month's experience and projections are adjusted for the remainder of the year if necessary. If approved, non-operating or miscellaneous income budget line items are zeroed to make certain these funds are not needed to balance the operating budget.

Staff is recommending Board approval to designate revenue accounts; 4370.00-Bike Locker Rental, 4400.00-Advertising Income, and 4990.00-Misc. Revenue as sources of non-tax revenue to be used to fund the operating reserve.

### **FISCAL IMPACT**

Receipts for the miscellaneous revenues total \$27,529.15 (unaudited) for FY 2021/22. If approved this amount will be transferred into the operating reserve interest bearing account. Final transfer will occur following the Financial and Compliance Audit presented at the December Board meeting.

### AGENDA ITEM 2B Action Item

### **MEMORANDUM**

DATE: September 1, 2022

TO: El Dorado County Transit Authority

FROM: Julie Petersen, Finance Manager

**SUBJECT:** Final Amended Operating Budget for Fiscal Year 2021/22

### REQUESTED ACTION:

BY MOTION,

- 1. Receive and File the Final Amended Operating Budget for Fiscal Year 2021/22 as Proposed
- 2. Acknowledge the budget amount of \$868,638 in Deferred Local Transportation Funds (LTF) from Contingency
- 3. Authorize the use of Deferred LTF for Fiscal Year 2021/22 Capital Expenses

### **BACKGROUND**

As of August 25, 2022, most work related to posting was accomplished to close the internal fiscal year (FY) 2021/22 financials.

A Final Amended Operating Budget is typically presented to the Board of Directors following the close of the fiscal year and prior to completion of an independent financial audit. The proposed Final Amended FY 2021/22 Operating Budget (attached) reflects fiscal year-end adjustments from the adopted mid-year version, based on actual revenue and expenses realized during the period.

### **DISCUSSION**

The proposed Final Amended FY 2021/22 Operating Budget reflects an overall increase to revenue and salary and benefit accounts and a decrease to general expenses. Outlined below are the recommended adjustments by line item with comments. The attached Final Amended FY 2021/22 Operating Budget sheet presents the adopted mid-year budget amounts for comparison and shows the net changes proposed.

The proposed Final Amended FY 2021/22 Operating Budget includes limited-time revenue from emergency CRRSAA Act funding in the amount of \$738,717 allocated under the Federal Transit Administration (FTA) Section 5311 program and FTA Section 5307. The Joint Exercise of Powers Agreement (JPA) of the El Dorado County Transit Authority (El Dorado Transit) Section 11.3 states the following: "The EDCTA shall actively seek to maximize utilization of Federal,

State, and other available revenues which shall be applied towards such operating and capital expenditures..."

Maximum use of Federal CRRSAA Act funds in FY 2021/22 has allowed for a deferral of LTF for use in the FY 2022/23 Operating and Capital Budgets. The final amount will be determined after today's requested action.

El Dorado Transit management and staff worked well within the overall mid-year budget expense projections. The continued effects of COVID-19 related service reductions and temporary fare policies are on-going.

Due primarily to the infusion of the emergency CRRSAA Act funding, an increase of \$576,005 in Contingency Funds now totaling \$868,638 has been realized. Staff is recommending the use of these Local Transportation Funds (LTF) for matching funds in the Capital Budget to preserve State Transit Assistance (STA) funds in FY 2021/22. Any remaining finds will represent the projected amount of conventional State funding offset for use in the FY 2022/23 operating budget.

### AGENDA ITEM 2C Action Item

### **MEMORANDUM**

DATE: September 1, 2022

TO: El Dorado County Transit Authority

FROM: Julie Petersen, Finance Manager

SUBJECT: Appointment of Chair and Vice-Chair as Members of an Ad Hoc

**Financial Audit Review Committee** 

### **REQUESTED ACTION:**

BY MOTION,

1. Form an ad hoc Audit Review Committee to receive and review fiscal year (FY) 2021/22 independent fiscal and compliance audit reports

2. Appoint Chair and Vice-Chair as members to the Audit Review Committee

### **BACKGROUND**

The Mills-Alquist-Deddeh Act (SB 325) was enacted by the California Legislature to improve public transportation services and encourage regional transportation coordination. Known as the Transportation Development Act (TDA) of 1971, this law provides funding to be allocated primarily for transit related purposes.

The TDA provides two (2) funding sources:

- 1. Local Transportation Fund (LTF), which is derived from a ¼ cent of the general sales tax collected statewide.
- 2. State Transit Assistance (STA), which is derived from the statewide sales tax on diesel fuel.

The California Department of Tax and Fee Administration, based on sales tax collected in each county, returns the general sales tax revenues in each county's LTF. The STA funds are appropriated by the Legislature to the State Controller's Office (SCO). The SCO then allocates the tax revenues, by formula, to planning and other selected agencies.

To ensure program compliance, TDA Section 6664 requires an independent fiscal and compliance audit of each TDA claimant be completed within 180 days following the end of the fiscal year. The El Dorado County Transportation Commission (EDCTC) is responsible for

ensuring that each TDA claimant under its jurisdiction receiving an allocation submits to EDCTC and the State Controller an annual certified fiscal audit report.

### **DISCUSSION**

Richardson and Company auditors will perform the fiscal year 2021/22 on-site audit field work at the El Dorado County Transit Authority (El Dorado Transit) during the week of October 3, 2022. Final audit reports will be completed in late October 2022 or early November 2022.

Annually, the El Dorado Transit Board of Directors (Board) appoints a two (2) person sub-committee to receive a detailed presentation of the audit results prior to submission to the full Board. Staff is recommending the establishment of an ad hoc Audit Review Committee with the Chair and Vice-Chair as permanent members.

The Audit Review Committee would convene at least once to receive an oral and written presentation of audit reports by Richardson & Company staff. The audit reports would then be included in the regular December Board meeting agenda packet as a Consent Item for consideration by the full Board.

Audit Review Committee responsibilities include:

- 1. Review of fiscal and compliance audits
- 2. One (1) meeting to receive a presentation of agency fiscal and compliance reports from the independent auditors (this meeting may be held remotely)
