#### AGENDA ITEM 2 A Action Item

#### **MEMORANDUM**

**DATE:** October 25, 2023

TO: El Dorado County Transit Authority

**Transit Advisory Committee** 

FROM: Julie Petersen, Finance Manager

**SUBJECT:** Final Amended Operating Budget for Fiscal Year 2022/23

#### REQUESTED ACTION:

BY MOTION,

1. Receive and File the Final Amended Operating Budget for Fiscal Year 2022/23

- 2. Acknowledge the budget amount of \$1,715,544 in Deferred Local Transportation Funds (LTF) from Contingency
- 3. Authorize the use of Deferred LTF for Fiscal Year 2022/23 Capital Expenses

#### **BACKGROUND**

As of August 30, 2023, most work related to posting was accomplished to close the internal fiscal year (FY) 2022/23 financials.

A Final Amended Operating Budget is typically presented to the Board of Directors following the close of the fiscal year and prior to completion of an independent financial audit. The proposed Final Amended FY 2022/23 Operating Budget (attached) reflects fiscal year-end adjustments from the adopted mid-year version, based on actual revenue and expenses realized during the period.

This item was presented to the Board on September 7, 2023 and was approved.

#### **DISCUSSION**

The Final Amended FY 2022/23 Operating Budget reflects an overall increase to revenue and salary and benefit accounts and a decrease to general expenses. Outlined below are the recommended adjustments by line item with comments. The attached Final Amended FY 2022/23 Operating Budget sheet presents the adopted mid-year budget amounts for comparison and shows the net changes proposed.

The Final Amended FY 2022/23 Operating Budget includes limited-time revenue from emergency CRRSAA Act funding in the amount of \$738,717 allocated under the Federal Transit Administration (FTA) Section 5311 program and FTA Section 5307. The Joint Exercise of Powers Agreement (JPA) of the El Dorado County Transit Authority (El Dorado Transit) Section 11.3 states the following: "The EDCTA shall actively seek to maximize utilization of Federal, State, and other available revenues which shall be applied towards such operating and capital expenditures..."

Maximum use of Federal CRRSAA Act funds in FY 2022/23 has allowed for a deferral of Local Transportation Funds (LTF) for use in the FY 2023/24 Operating and Capital Budgets. The final amount will be determined after today's requested action.

El Dorado Transit management and staff worked well within the overall mid-year budget expense projections.

Due primarily to the infusion of the emergency CRRSAA Act funding and prior year LTF carry-over, an increase of \$900,055 in Contingency Funds now totaling \$1,715,544 has been realized. Staff is recommending the use of these (LTF) for matching funds in the Capital Budget to preserve State Transit Assistance (STA) funds in FY 2022/23. Any remaining funds will represent the projected amount of conventional State funding offset for use in the FY 2023/24 operating budget.

#### AGENDA ITEM 3 A Information Item

#### **MEMORANDUM**

**DATE:** October 25, 2023

TO: El Dorado County Transit Authority

**Transit Advisory Committee** 

FROM: Brian James, Executive Director

**SUBJECT:** Fiscal Year 2022/23 Administrative Operations Report

**REQUESTED ACTION:** 

BY MOTION,

No action. Information item.

#### **BACKGROUND**

As a recipient of Transportation Development Act (TDA) funds, El Dorado Transit is required to report performance measures as defined in the Public Utilities Code Chapter 4, Article 1, Section 99247. The Administrative Operations Report includes required statistical analysis and other Board approved performance measures on a route, mode, and system wide basis.

El Dorado Transit management provides performance measure reporting by service and mode (type of service) which is above and beyond the mandated reporting format. This reporting format provides the public, policy makers and management a detailed comparison by individual service. For comparison purposes, the Administrative Operations Report also includes data from the prior fiscal year.

#### **DISCUSSION**

The <u>Fiscal Year 2022/23 Administrative Operations Report</u> (Administrative Operations Report) provides an overview of El Dorado Transit operations for the reporting period July 1, 2022 through June 30, 2023.

As noted in the Administrative Operations Report, El Dorado Transit provides four (4) distinct types of public transportation: Demand Response, Motor Bus (Local Fixed Routes), Commuter Bus (Commuter Services), and Special Event Services. The purpose of each service varies, therefore, goals and objectives for performance are considered separately.

The report provides operational statistics, revenues, expenses and performance measures by route, mode, and system. To effectively review performance, it is necessary to separate the four (4) modes and compare services within each mode.

El Dorado County Transit Authority Transit Advisory Committee October 25, 2023 It should be noted that continuing pandemic related factors, and severe winter weather events had an impact on transit ridership during the reporting period. However, overall ridership and fare revenue numbers were higher than the previous year for the reporting period.

The following sections discuss the general performance of the various service modes during the July 2022 to June 2023 reporting period.

- Demand Response services ridership increased by 2,832 one-way passenger trips or 17.5% to 19,064 during the period. Passenger trips per revenue hour increased from 2.0 to 2.2 or 10.0%. The goal for on-time performance for Demand Response services is 90%, and El Dorado Transit achieved 93.2%.
- Motor Bus (Local Fixed Route) ridership increased by 14,927 one-way passenger trips or 17.6% to 99,700 during the period. Passenger trips per revenue hour increased from 4.1 to 5.2 or 26.8%. The goal for on-time performance for Motor Bus services is 85%, and El Dorado Transit achieved 84.9%.
- Commuter Bus (Commuter Services) ridership increased by 9,964 one-way passenger trips or 43.8% to 32,734 during the period. Passenger trips per revenue hour increased from 4.6 to 6.4 or 39.1%. The goal for on-time performance for Commuter Bus services is 90%, and El Dorado Transit achieved 89.7%.
- Special Event Service ridership included the El Dorado County Fair Shuttle. El Dorado Transit provided 12,783 passenger trips during the four (4) days of the fair, for an increase of 2,236 one-way passenger trips or 21.2%.
- System wide ridership increased by 29,959 one-way passenger trips or 22.3% to 164,281 during the period. Systemwide passenger trips per revenue hour increased from 4.0 to 4.9 or 22.5%.

Additional performance measures discussed in the report include fares, operating expenses, road calls, and monthly ridership trends.

#### Introduction

The El Dorado County Transit Authority (El Dorado Transit) provides public transportation on the western slope of El Dorado County under authority of a Joint Powers Agreement (JPA) with the County of El Dorado and the City of Placerville.

In addition, this report presents a comparison of performance measures for the prior fiscal year.

Due to the COVID-19 virus and physical distancing regulations, Older Adult Day Services closed on March 13, 2020, and the Mother Lode Rehabilitation Enterprises (M.O.R.E.) facility closed on March 16, 2020 but has been partially reinstated. Commuter services were decreased to four (4) buses in the morning and afternoon on March 23, 2020.

#### **Service Description**

Public transportation services provided by El Dorado Transit include Demand Response, Motor Bus (Local Fixed Routes), Commuter Bus (Commuter Routes) and Special Event Services which include annual services funded through local air quality management grants for vehicle emissions reduction.

#### **Demand Response**

Demand Response services include Dial-A-Ride and subscription Dial-A-Ride, Americans with Disabilities Act (ADA) Paratransit, SAC-MED, Mother Lode Rehabilitation Enterprises (M.O.R.E.) and the Older Adult Day Services program transportation.

Dial-A-Ride is a reservation service that operates seven (7) days a week providing curb-to-curb transportation for seniors and persons with disabilities. El Dorado Transit provided 8,931 one-way passenger trips during the reporting period.

SAC-MED is a non-emergency medical transportation service for the public traveling to medical appointments in Sacramento and Placer Counties. The service operates on Tuesday and Thursday each week. El Dorado Transit provided 316 one-way passenger trips during the reporting period.

M.O.R.E. client transportation is a contracted service. ALTA California Regional Center (ALTA) provides funding for the M.O.R.E client transportation through an agreement with El Dorado Transit. Clients are transported from home or an agreed pickup location to the M.O.R.E. program facility in Placerville, as well as to workplace sites. El Dorado Transit provided 6,994 one-way passenger trips during the reporting period.

Older Adult Day Services program clients are transported from home to the facilities in Placerville and El Dorado Hills on an individual subscription basis, Monday through Friday. The program has been closed due to COVID-19 restrictions, and no trips were provided for the service.

ADA Paratransit service is a reservation-based service providing origin to destination transportation to eligible persons with disabilities. ADA Paratransit service is provided the same days and hours as the local fixed route bus services, within ¾ mile of the route service area. El Dorado Transit provided 2,823 one-way passenger trips during the reporting period.

The following table provides a year-to-year comparison of Demand Response services, noting an increase in trips, hours, and miles due to the return of some services for M.O.R.E. and increased demand for ADA Paratransit and Dial-a-Ride services.

#### **Motor Bus (Local Fixed Routes)**

El Dorado Transit provides connecting bus service within the communities of Pollock Pines, Camino, Placerville, Diamond Springs, El Dorado, Shingle Springs, and Cameron Park with connections to El Dorado Hills and Folsom. Route reductions due to staffing shortages had a direct impact on ridership. The following table provides a year-to-year comparison of Motor Bus services, noting an increase in trips and a decrease in hours and miles.

#### **Commuter Bus**

Commuter Bus services provide transportation between El Dorado County and downtown Sacramento during peak commute times, Monday through Friday. Four (4) one-way routes operate both in the morning and afternoon between park-and-ride facilities in El Dorado County and several downtown stops. In addition, two (2) Reverse Commute routes are available for passengers traveling from Sacramento to El Dorado County in the morning and from El Dorado County to Sacramento in the afternoon. The Reverse Commute services are offered on buses that would otherwise be empty while returning from or traveling to Sacramento to perform regular commuter routes. El Dorado Transit provided 23,630 one-way passenger trips during the reporting period.

In addition, the new intercity connector service between the Sacramento Valley Station and South Lake Tahoe with stops in Cameron Park and Placerville was implemented on July 5, 2021. The service is operated by El Dorado Transit in partnership with the Capitol Corridor and Amtrak. El Dorado Transit provided 9,353 one-way passenger trips during the reporting period.

The following table provides a year-to-year comparison of Commuter Bus services, noting a significant increase in trips, hours, and miles due in part to the addition of the Tahoe service.

#### **Special Event Services**

During the reporting period, El Dorado Transit operated the El Dorado County Fair Shuttle in June 2023. This project was funded in part through a grant administered by the El Dorado County Air Quality Management District (AQMD). El Dorado Transit provided 12,783 passenger trips during the four (4) days of the fair.

#### **Performance Measures**

#### **Mandated Performance Reporting**

The Transportation Development Act (TDA) guidelines require that public transit agencies report certain annual performance measures to their governing bodies, the regional transportation planning agency and to the office of the California State Controller. The California TDA Relief Trailer Bill enacted via SB 149 in 2022 extended regulatory relief from some TDA performance and farebox requirements until July 1, 2026.

The following tables summarize and compare the systemwide performance measures for the reporting period:

SYSTEM	SYSTEM WIDE COMPARISON													
Reporting Period: July 1, 2022 – June 30, 2023														
	FY 2022/23 (current)	FY 2021/22 (prior)	Difference	Percentage +/-										
TRIPS	164,281	134,322	+29,959	+22.3%										
HOURS	33,501	33,573	-72	-0.2%										
MILES	712,783	712,726	+57	-0.1%										

The following tables (Figures 1 and 2) summarize system wide performance measures for FY 2022/23 and FY 2021/22 as defined in the TDA guidelines:

<u>Figure 1</u> Comparative Report for All Services

FISCAL YEAR KEY PERFORMANCE MEASURES FOR ALL SERVICES	2022/23	2021/22	Difference	Percentage Change +/-
Farebox Recovery Ratio (FBR)	7.6%	10.8%	-3.2	-29.6%
Passenger Fares	\$665,200	\$697,870	-32,670	-4.7%
Average Fare/Passenger	\$4.05	\$5.20	-1.15	-22.1%
Operating Expenses	\$8,787,144	\$6,464,063	+2,323,081	+35.9%
Operating Cost/Passenger	\$53.49	\$48.12	+5.37	+11.2%
Operating Cost/Revenue Hour	\$262.30	\$192.54	+69.76	+36.2%
Operating Cost/Revenue Mile	\$12.33	\$9.07	+3.26	+35.9%
Road Calls	51	58	-7	-12.1%
Employees per TDA Guidelines (FTE)	51	49	+2	+4.1%

The Farebox Recovery Ratio (FBR) percentage represents the ratio of fare revenue collected to operating expenses. The benchmark FBR for El Dorado Transit is 12.2%. Using pre-pandemic inputs for comparison purposes, El Dorado Transit recovered 7.6% in FBR during the reporting period for a decrease of 29.6% compared to the previous year. However, in FY 2021/22 funds from the Capitol Corridor Joint Powers Authority (CCJPA) for the Sacramento to South Lake Tahoe Connector route were included in the fares, while in FY 2022/23 the CCJPA funds were a separate line item and were not counted in the fares. In addition, in FY 2022/23 \$1,649,704 was paid toward the CalPERS retirement unfunded liability which increased total expenses. TDA regulatory relief in AB149 allows for the application of additional fare revenues under certain circumstances that would increase the FBR to well above the 12.2% benchmark.

El Dorado Transit averaged 13,976 miles between road calls, which is 74.7% better than the national average of 8,000 miles between road calls.

Figure 2 Passenger Trips per Revenue Hour Report for All Services

PASSENGER TRIPS PER REVENUE HOUR	2022/23	2021/22	Difference	Percentage Change +/-
Demand Response	2.2	2.0	+0.2	+10.0%
Motor Bus (Local Fixed Routes)	5.2	4.1	+1.1	+26.8%
Commuter Bus	6.4	4.6	+1.8	+39.1%
Systemwide Passenger Trips per Revenue Hour	4.9	4.0	+0.9	+22.5%

Passenger Trips per Revenue Hour represents the average number of passenger boardings per hour in all service types. Systemwide passenger trips per revenue hour increased from 4.0 to 4.9 due to ridership increases in Demand Response, Motor Bus, Sacramento Commuter, Sacramento to Tahoe Connector, and the Fair Shuttle services.

#### **Additional Performance Measures**

Although not required by the TDA, El Dorado Transit prepares mid-year and annual reports of performance measures by mode and route. Statistical data summarized by service and mode are included for review as Attachment A (FY 2022/23) and Attachment B (FY 2021/22).

El Dorado Transit compares actual performance with performance standards for FBR and operating subsidy per passenger. The Short- and Long-Range Transit Plan includes goals for Service Efficiency, Farebox Return Ratio and Operating Subsidy per Passenger.

The following table (Figure 3) shows the performance standards and the actual performance numbers for comparison:

#### **Monthly Ridership Trends**

The following graph (Figure 4) compares monthly passenger boardings for FY 2022/23 and FY 2021/22 for all services excluding the Fair Shuttle:

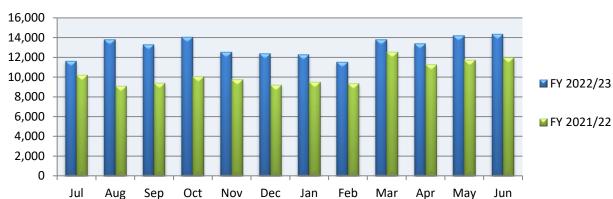

Figure 4 Fiscal Year Monthly Boardings

#### **On-Time Performance Standards**

El Dorado Transit service on-time performance is regularly measured to evaluate actual performance compared to adopted targets. Figure 5 shows the percentage of on-time departures by mode compared to adopted targets.

Figure 5 On-Time Performance FY 2022/23

Service Type	Adopted Target	Actual Performance
Demand Response	90%	93.2%
Motor Bus Routes	85%	84.9%
Commuter Bus Routes	90%	89.7%

The on-time performance for Motor Bus routes was affected by changing traffic patterns in the community. Recent schedule updates were implemented that have improved the on-time performance for those routes.

The On-time performance for Commuter Bus routes was directly affected by ongoing road construction on Highway 50 in Sacramento. Once road construction is completed in Sacramento, the on-time performance numbers should improve.

#### **Marketing and Outreach**

The following were developed and/or conducted by El Dorado Transit staff, as appropriate, to heighten public awareness and promote transit services:

#### **Passenger Materials**

El Dorado Transit provides complete route and schedule information in printed brochures, and on the agency website which is available in more than one hundred languages. Schedules and route maps are updated regularly and made available on transit vehicles, bus stops and distributed through a network of outlets within the service area.

The agency website is maintained in-house and provides easy access to the most popular types of information including:

- Trip Planner
- Connect Card information
- Transit fares, passes and scrip ticket information and ordering
- Schedule and route information
- Americans with Disabilities Act (ADA) services
- Press Releases
- Legal Notices
- Service Alerts
- Employment information

#### **Print Advertising and Local Media**

El Dorado Transit staff develops and distributes timely Press Releases to local news outlets to identify noteworthy activities and events. These commonly include:

- New, expanded, or modified services
- Opening of new facilities
- Delivery of new vehicles
- Special services
- Ridership growth
- Introduction of targeted promotional activities

In addition to news releases, the staff works with local news reporters to develop feature articles about the benefits of using transit.

#### **Digital Outreach**

El Dorado Transit staff distribute information to the public through social media tools such as Facebook and Twitter. Passengers can sign up for rider alert emails that are sent whenever there is a disruption or change in services. Route information and real-time bus arrival information is available to passengers through the free RouteShout app and the El Dorado Transit website.

#### **Direct Outreach**

An ongoing public speaking program and mobility training is conducted to build a positive image within the community, build awareness of the services El Dorado Transit offers, and instruct both potential riders and gatekeepers on how to use the transit system. El Dorado Transit staff makes personal on-site presentations to business and community leaders, gatekeepers, potential rider groups, partner organizations, and human services providers. When necessary, presentations are targeted and timed to coincide with implementation of new, expanded, or modified services.

One-on-one transit training (mobility training) is a valuable tool that is available to potential riders to assist them in maintaining their independence and to access life-line services or employment opportunities. Passengers may schedule special training sessions, in-home appointments, or escorted transit rides with staff depending on individual needs. Mobility training is particularly effective in helping potential or first-time passengers become familiar with the available services and overcome any anxiety about using transit.

FROM: Brian James, Executive Director

**SUBJECT:** 2023 Fair Shuttle Ridership

**REQUESTED ACTION:** 

BY MOTION,

No action. Information item.

#### **BACKGROUND**

The El Dorado County Transit Authority (El Dorado Transit) once again provided the El Dorado County Fair Shuttle on June 15-18, 2023. The shuttle ran from ½ hour before opening to ½ hour after closing each of the four days of the Fair. This was the thirty-first (31st) year that El Dorado Transit has provided an El Dorado County Fair Shuttle. Service was provided from two (2) different parking locations including the Library/Government Center on Ray Lawyer Drive and the Ray Lawyer Drive Park and Ride.

The Fair shuttle service was funded by a grant from the El Dorado County Air Quality Management District under the AB2766 program, and with support from the El Dorado County Fair Association.

#### **DISCUSSION**

During the 2023 Fair Shuttle, El Dorado Transit provided 12,877 passenger trips for an average of just over 3,200 passengers per day. This was an increase of 2,334 passengers or 26.2 percent compared to the previous year. The following page contains ridership data per day compared to 2022. Overall, the 2023 Fair Shuttle operation went smoothly with very positive feedback from passengers. The only disruptions in service were caused by traffic stoppages on Placerville Drive.

El Dorado Transit acknowledges the support of our community partners, including the El Dorado County Air Quality Management District, the El Dorado County Fair Association, the El Dorado County Library, and the Government Center staff, for their efforts in providing the free parking and shuttle services. Management commends El Dorado Transit staff for running another productive, safe, and friendly shuttle operation.

#### **MEMORANDUM**

**DATE:** October 25, 2023

TO: El Dorado County Transit Authority

**Transit Advisory Committee** 

FROM: Brian James, Executive Director

SUBJECT: My Ride - Mileage Reimbursement Program Policy Update

**REQUESTED ACTION:** 

BY MOTION,

No Action. Information Item.

#### **BACKGROUND**

The My Ride Mileage Reimbursement Program enables seniors (60 or older), veterans, or disabled residents of El Dorado County who are registered for the My Ride program at El Dorado Transit to reimburse their friends, neighbors, or family members for providing them with transportation in their personal vehicles. Trips can be for any purpose, and there are no fees to participate in this program. The trips are free for the passenger, and the driver receives reimbursement for providing a valuable service for the passenger.

Since implementation in August 2022, the My Ride program has provided 5,642 passenger trips or an average of just over 500 passenger trips per month. It is becoming an invaluable program for many residents of our community.

#### **DISCUSSION**

Staff have been overseeing the program to look for any signs of unintended use by participants. Since the program's inception, a pattern has emerged with a few participants benefiting as both a driver and passenger for opposite legs of the same round trip. This use case is outside the intent of the program to assist eligible passengers that would otherwise be unable to transport themselves. Based on this assertion, staff recommended policy clarification.

The previous program rules stated, "Participants cannot be both the passenger and the driver," which left room for misinterpretation. Staff obtained help from LSC Transportation Consultants (LSC) to analyze best practices from other transit agencies who operate similar programs. With the help of LSC, and with advice from our Legal Counsel Mike Tucker, staff recommended that the policy be clarified with the following:

El Dorado County Transit Authority Transit Advisory Committee October 25, 2023

- 1. That the passenger and the driver be limited to 350 miles per trip and cannot share driving responsibilities to increase the mileage limitation.
- 2. That the program is intended to assist El Dorado County residents who are unable to drive or may otherwise not have access to transportation.
- 3. That the reimbursement is subject to El Dorado Transit's sole discretion.

In addition, it was recommended that a statement asserting that the volunteer driver is not a professional driver be added to the waiver. This would help alleviate potential claims that the volunteer driver is actually a Transit employee.

The El Dorado County Transit Authority Board approved the My Ride Mileage Reimbursement Program Policy Update as proposed on August 3, 2023 to help alleviate the unintended use of the program by participants, and to help strengthen the language in the waiver.

## Free Rides for California Clean Air Day

In celebration of California Clean Air Day, El Dorado Transit has teamed up with other Sacramento area transit agencies to offer free rides on Wednesday, October 4, 2023.

El Dorado Transit will offer free rides that day on the Local Fixed Routes and the Sacramento Commuter Routes.

On Clean Air Day, El Dorado County residents are asked to leave the car at home and try transit for free.

El Dorado Transit recently participated in the International Day of Clean Air for Blue Skies on September 7, 2023. To commemorate that event, El Dorado Transit offered free rides on the Local Fixed Routes and the Sacramento Commuter Routes. That day, a total of 644 people boarded our buses for free.

Both of these free ride events are paid for by a grant from the California Low Carbon Transit Operations Program (LCTOP), which is one of several programs that are part of the Transit, Affordable Housing, and Sustainable Communities Program established by the California Legislature in 2014 by Senate Bill 862.

#### New Executive Director at El Dorado Transit

City of Placerville Vice Mayor Jackie Neau, chair of the El Dorado Transit Board of Directors, recently announced that Brian James has been selected as its new Executive Director.

Brian has worked effectively as the Planning and Marketing Manager at El Dorado Transit since 2015 where he specialized in improving the transit system, wrote grants to purchase vehicles and provide amenities, and communicated with the community to help residents understand the services that are available. He worked to rebrand the buses and facilities to draw more attention and to modernize the overall look of the organization. His prior positions included Director at JSN Medical, General Manager at Skyline Company and Product Marketing Manager at Craftmade International. He received his MBA from California State University Dominguez Hills in 2002.

"I am honored to be selected as the new Executive Director of El Dorado Transit," Brian said. "I look forward to working with our Board members, community members, local agencies, and other partners to help connect our community.

Brian replaces Matthew Mauk, who will be the new Executive Director of Yuba Sutter Transit in Marysville.

## New Passenger Code of Conduct

El Dorado Transit has traditionally posted passenger rules in transit vehicles and in printed brochures. These rules are guidelines for passengers while using transit vehicles and facilities. In an effort to support El Dorado Transit's goal, "to provide safe, reliable, courteous, attractive, and comfortable public transit" staff has developed a Passenger Code of Conduct to update passenger rules and to provide a comprehensive approach to addressing passenger behavior.

The intention of the Passenger Code of Conduct is to set expectations for passengers while maintaining support for operators and other front-line staff. This policy is supported by the California Penal Codes, Public Utility Codes, and other statutes.

The Passenger Code of Conduct is available on our website at <a href="www.eldoradotransit.com">www.eldoradotransit.com</a> under How to Ride, and posters are available in the buses.
