January 2026 - March 2026
Volume 10 - Number 1

Construction Begins on Bus Parking Lot Improvement Project

As summer turned to fall, our construction efforts shifted from the Bass Lake Road Park and Ride to a location much closer to “home.” In fact, it is the home for all of our vehicles, it is the Bus Parking Lot at our headquarters in Diamond Springs.

The Bus Parking Lot Improvement Project will not only include fresh asphalt and parking stalls, but also the infrastructure for electric vehicle charging. If our services and vehicles make the switch to electrification, El Dorado Transit will be ready.

Unlike the Bass Lake Road Park and Ride project, this one is not visible to the public. But rest assured, its completion will help with the reliability and efficiency of our entire fleet.

Route Number	1	2	3	4	5	1	2	3	4	5	6

Changes to Tahoe and Commuter Schedules

In late 2025, we had some slight changes to both the Sacramento/South Lake Tahoe Connecting Bus and Commuter routes. Due to schedule adjustments from Capitol Corridor, the eastbound (SAC-SLT) run is starting approximately a half hour later. Also, the westbound run (SLT-SAC) is approximately 40 minutes later. The good news? Both the weekday and weekend schedules are now the same! No need to memorize two different schedules.

On the commuter side, we have changes to the Q Street at 29th Street stop to Q Street and 28th Street to allow a safer exit from downtown Sacramento. This change was initiated due to construction activity related to the Caltrans Fix50 Project. In addition, Commuter 6 PM is starting its run 20 minutes later.

As always, complete schedules and more information can be found on our website at www.eldoradotransit.com

Hangtown Christmas Parade

El Dorado Transit staff, family and volunteers participated in the 47th annual Hangtown Christmas Parade on December 7. A decorated Transit bus made it's way through the parade route and was a huge hit with parade goers. Last year's winner of the Design a Bus Wrap Contest was also on display.

This year's parade was very rewarding and we are glad we could participate and help bring joy to people in our community.

El Dorado Transit on Display at Probation Event

El Dorado Transit recently had a booth at the El Dorado County Community Resources Fair Probation Event. Held at the El Dorado County Fairgrounds, the event was well attended and many people were interested in the services we offer. Transit staff also passed out many give-a-ways.

Have an upcoming event you'd like to see Transit at? Please contact our offices at 530-642-5383 ext. 223.

Passenger Winter Tips

In routes that may be affected by ice and snow:

- Lighter and brighter clothing can make you visible in hours of darkness
- Dress warmly in layers and arrive at your stop on time
- Use caution when walking on wet or icy bus stops
- The entry way can be very slippery in winter weather; Please hold onto the handrails when entering and exiting the bus
- Give your driver enough notification of your desired stop
- Buses can slide on snow and ice, wait until the bus comes to a complete stop before you approach
- Buses may not be able to access a bus stop due to snow and ice; do not stand in the street or upon the bank of snow. Areas like these are slippery and can be hazardous.

Holiday Schedule January - March Holiday Schedule

Thursday, January 1stNew Year's Day
Monday, January 19th Martin Luther King Jr's Day
Monday, February 16thPresident's Day

The Sacramento/South Lake Tahoe Connecting bus will be the only service operating on listed holidays. For more information visit www.eldoradotransit.com.
