**DATE:** June 4, 2026

**TO:** El Dorado County Transit Authority

**FROM:** Erik Bergren, Planning and Marketing Manager

**SUBJECT:** Adopt Resolutions to File and Execute Documents for the Fiscal Year (FY) 2026/27 California State of Good Repair Grant Program

**REQUESTED ACTION:**  
**BY MOTION,**

- 1. Adopt Resolution No. 26-18 Authorizing the Executive Director to Execute All Documents for the California State of Good Repair Grant Program**
- 2. Adopt Resolution No. 26-19 Authorizing the California State of Good Repair Project List**

**BACKGROUND**

On April 28, 2017 Senate Bill 1 (SB1) known as the Road Repair and Accountability Act of 2017 was signed into law by Governor Brown. SB1 provides new on-going funding under several programs for a variety of transportation purposes. The State of Good Repair (SGR) Program which is managed by Caltrans provides \$105 million annually to transit operators to invest in the upgrade, repair, and improvement of their agency's infrastructure. The SGR Program is funded from a Transportation Improvement Fee on vehicle registrations. These funds are allocated to eligible agencies under the existing State Transit Assistance (STA) Program formula – according to population and farebox revenues. The only eligible entity to receive the direct allocation on the Western Slope is the El Dorado County Transportation Commission (EDCTC). The El Dorado County Transit Authority (El Dorado Transit) is the only transit operator eligible for the sub-allocation of SGR funds on the Western Slope of El Dorado County.

Prior to receiving an apportionment of SGR funds in a given fiscal year, a potential recipient agency must submit to Caltrans a resolution for authorization for the execution of the certifications and assurances and a resolution listing the projects proposed for funding. Each proposal must include a description and location of the project, a proposed schedule for the project's completion, the estimated useful life of the improvement and description of the project benefits. Caltrans will then establish a list of all agencies that have submitted the required information and are eligible to receive an apportionment of funds.

El Dorado Transit staff is recommending the following projects that are eligible for SGR funding:

1. Primary Project – Vehicle Replacement  
*Replacing revenue vehicles*

## **DISCUSSION**

Per the Joint Exercise of Powers Agreement of the El Dorado County Transit Authority, April 29, 2008, Section 11.3, “*The EDCTA shall actively seek maximum utilization of Federal, State, and other available revenues which shall be applied towards such operating and capital expenditures in determining what local funding requirements shall be.*”

Adoption of these resolutions allows agency staff to move forward with the submittal process for the SGR program. Funds would be spent on the primary project Vehicle Replacement. Staff recommends the Board consider the above projects for submission to the EDCTC and authorize the Executive Director to execute all documents for the FY 2026/27 California SB1 State of Good Repair Grant Program.

## **FISCAL IMPACT**

The FY 2026/27 allocation represents an estimated total of \$337,624 for projects that are submitted to the EDCTC for the California SB1 State of Good Repair Grant program.
