Back to School? EDT GO! Microtransit Can Help with Rides

If you have a student in the El Dorado Hills or Cameron Park/Shingle Springs area and need rides before or after school, El Dorado Transit can help! Our new Microtransit service is called EDT GO! and serves the El Dorado County public. Microtransit allows transit agencies to offer riders an on-demand flexible option that fits between fixed route and Dial-a-Ride services.

Initial EDT GO! service is available on weekdays from 7:00 a.m. to 7:00 p.m. During this initial phase, service is available in two zones: El Dorado Hills and Cameron Park/Shingle Springs, with two vehicles assigned to each zone. The fare is \$3.00 per trip, and the service provides curb-to-curb transportation. Riders are able to schedule on-demand trips using the mobile app Rides on Demand, available on iPhone and Android platforms, or by calling the El Dorado Transit office.

For EDT GO! El Dorado Transit is utilizing new Ford Transit 350 vans with seven passenger seating, and other vehicles depending on demand, and all are handicap accessible.

EDT GO! Microtransit service is funded by the Transit and Intercity Rail Capital Program (TIRCP).

Free Rides for California Clean Air Day

In celebration of California Clean Air Day, El Dorado Transit has teamed up with other Sacramento area transit agencies to offer free rides on Wednesday, October 7, 2026.

El Dorado Transit will offer free rides that day on the Local Fixed Routes and the Sacramento Commuter Routes.

On Clean Air Day, El Dorado County residents are asked to leave their car at home and try transit for free.

Last year, a total of 953 people boarded our local and commuter buses for free on Clean Air Day.

This free ride event is paid for by a grant from the California Low Carbon Transit Operations Program (LCTOP), which is one of several programs that are part of the Transit, Affordable Housing, and Sustainable Communities Program established by the California Legislature in 2014 by Senate Bill 862.
