## Introduction

The El Dorado County Transit Authority (El Dorado Transit) provides public transportation on the western slope of El Dorado County under authority of a Joint Powers Agreement (JPA) with the County of El Dorado and the City of Placerville.

The El Dorado Transit Fiscal Year 2023/24 Administrative Operations Report is prepared to apprise the board and public on transit operations over fiscal year (FY) 2023/24 (July 1, 2023 to June 30, 2024). In addition, this report presents a comparison of performance measures for the prior fiscal year.

Due to the COVID-19 virus and physical distancing regulations, Older Adult Day Services closed on March 13, 2020, and the Mother Lode Rehabilitation Enterprises (M.O.R.E.) facility closed on March 16, 2020 but has been partially reinstated.

## Service Description

Public transportation services provided by El Dorado Transit include Demand Response, Motor Bus (Local Fixed Routes), Commuter Bus (Commuter Routes) and Special Event Services which include annual services funded through local air quality management grants for vehicle emissions reduction.

## Demand Response

Demand Response services include Dial-A-Ride and subscription Dial-A-Ride, Americans with Disabilities Act (ADA) Paratransit, SAC-MED, Mother Lode Rehabilitation Enterprises (M.O.R.E.) and the Older Adult Day Services program transportation.

Dial-A-Ride is a reservation service that operates seven (7) days a week providing curb-to-curb transportation for seniors and persons with disabilities. El Dorado Transit provided 12,616 one-way passenger trips during the reporting period.

ADA Paratransit service is a reservation-based service providing origin to destination transportation to eligible persons with disabilities. ADA Paratransit service is provided the same days and hours as the local fixed route bus services, within  $\frac{3}{4}$  mile of the route service area. El Dorado Transit provided 2,933 one-way passenger trips during the reporting period.

SAC-MED is a non-emergency medical transportation service for the public traveling to medical appointments in Sacramento and Placer Counties. The service operates on Tuesday and Thursday each week. El Dorado Transit provided 446 one-way passenger trips during the reporting period.

M.O.R.E. client transportation is a contracted service. ALTA California Regional Center (ALTA) provides funding for the M.O.R.E client transportation through an agreement with El Dorado Transit. Clients are transported from home or an agreed pickup location to the M.O.R.E. program facility in Placerville, as well as to workplace sites. El Dorado Transit provided 8,841 one-way passenger trips during the reporting period.

Older Adult Day Services program clients are transported from home to the facilities in Placerville and El Dorado Hills on an individual subscription basis, Monday through Friday. The program was closed due to COVID-19 restrictions, and we have been providing limited trips through our Dial-A-Ride service since reopening.

The following table provides a year-to-year comparison of demand response services, noting an increase in trips, hours, and miles due to the return of some services for M.O.R.E. and increased demand for ADA Paratransit and Dial-a-Ride services.

## Performance Measures

### Mandated Performance Reporting

The Transportation Development Act (TDA) guidelines require that public transit agencies report certain annual performance measures to their governing bodies, the regional transportation planning agency and to the office of the California State Controller. The California TDA Relief Trailer Bill enacted via SB 149 in 2022 extended regulatory relief from some TDA performance and farebox requirements until July 1, 2026.

The following tables summarize and compare the systemwide performance measures for the reporting period:

SYSTEM WIDE COMPARISON				
Reporting Period: July 1, 2023 – June 30, 2024				
	FY 2023/24 (current)	FY 2022/23 (prior)	Difference	Percentage +/-
<b>TRIPS</b>	189,583	164,281	+25,302	+15.4%
<b>HOURS</b>	39,256	33,501	+5,755	+17.2%
<b>MILES</b>	840,245	712,783	+127,462	+17.9%

The following tables (Figures 1 and 2) summarize system wide performance measures for FY 2023/24 and FY 2022/23 as defined in the TDA guidelines:

**Figure 1 Comparative Report for All Services**

FISCAL YEAR KEY PERFORMANCE MEASURES FOR ALL SERVICES	2023/24	2022/23	Difference	Percentage Change +/-
Farebox Recovery Ratio (FBR)	9.5%	7.6%	+1.9	+25.0%
Passenger Fares	\$810,304	\$665,200	+145,104	+21.8%
Average Fare/Passenger	\$4.27	\$4.05	+.22	+5.4%
Operating Expenses	\$8,496,959	\$8,787,144	-290,185	-3.3%
Operating Cost/Passenger	\$44.82	\$53.49	-8.67	-16.2%
Operating Cost/Revenue Hour	\$216.45	\$262.30	-45.85	-17.5%
Operating Cost/Revenue Mile	\$10.11	\$12.33	-2.22	-18.0%
Road Calls	55	51	+4	+7.8%
Employees per TDA Guidelines (FTE)	54	51	+3	+5.9%

The Farebox Recovery Ratio (FBR) percentage represents the ratio of fare revenue collected to operating expenses. The standard FBR for El Dorado Transit is 12.2%. Using pre-pandemic inputs for comparison purposes, El Dorado Transit recovered 9.5% in FBR during the reporting period for an increase of 25.0% compared to the previous year. TDA regulatory relief in AB149 allows for the application of additional fare revenues under certain circumstances that would increase the FBR to well above the 12.2% standard.

Passenger fares increased due to increases in Demand Response, Local, and Commuter services. This in turn increased the Farebox Recovery Ratio and the Average Fare per Passenger. El Dorado Transit averaged 15,277 miles between road calls, which is 91.0% better than the national average of 8,000 miles between road calls.

**Figure 2 Passenger Trips per Revenue Hour Report for All Services**

PASSENGER TRIPS PER REVENUE HOUR	2023/24	2022/23	Difference	Percentage Change +/-
Demand Response	2.4	2.2	+0.2	+9.1%
Motor Bus (Local Fixed Routes)	5.1	5.2	-0.1	-1.9%
Commuter Bus	6.5	6.4	+0.1	+1.6%
<b>Systemwide Passenger Trips per Revenue Hour</b>	<b>4.8</b>	<b>4.9</b>	<b>-0.1</b>	<b>-2.0%</b>

Passenger Trips per Revenue Hour represents the average number of passenger boardings per hour in all service types. Systemwide passenger trips per revenue hour decreased slightly from 4.9 to 4.8 during the reporting period.

## Additional Performance Measures

Although not required by the TDA, El Dorado Transit prepares mid-year and annual reports of performance measures by mode and route. Statistical data summarized by service and mode are included for review as Attachment A (FY 2023/24) and Attachment B (FY 2022/23).

El Dorado Transit compares actual performance with performance standards for FBR and operating subsidy per passenger. The Short and Long-Range Transit Plan includes goals for Service Efficiency, Farebox Return Ratio and Operating Subsidy per Passenger.

The following table (Figure 3) shows the performance standards and the actual performance numbers for comparison:

## On-Time Performance Standards

El Dorado Transit service on-time performance is regularly measured to evaluate actual performance compared to adopted targets. Figure 5 shows the percentage of on-time arrivals by mode compared to adopted targets.

**Figure 5** On-Time Performance FY 2023/24

## Marketing and Outreach

The following were developed and/or conducted by El Dorado Transit staff, as appropriate, to heighten public awareness and promote transit services:

## Passenger Materials

El Dorado Transit provides complete route and schedule information in printed brochures, and on the agency website which is available in more than one hundred languages. Schedules and route maps are updated regularly and made available on transit vehicles, bus stops and distributed through a network of outlets within the service area.

The agency website is maintained in-house and provides easy access to the most popular types of information including:

- Trip Planner
- Connect Card information
- Transit fares, passes and scrip ticket information and ordering
- Schedule and route information
- Americans with Disabilities Act (ADA) services
- Press Releases
- Legal Notices
- Service Alerts
- Employment information
- Board Agendas and Minutes

## Print Advertising and Local Media

El Dorado Transit staff develops and distributes timely Press Releases to local news outlets to identify noteworthy activities and events. These commonly include:

- New, expanded, or modified services
- Opening of new facilities
- Delivery of new vehicles
- Special services
- Ridership growth
- Introduction of targeted promotional activities

In addition to news releases, the staff works with local news reporters to develop feature articles about the benefits of using transit.

## Digital Outreach

El Dorado Transit staff distribute information to the public through social media tools such as Facebook, X (formally known as Twitter), and Instagram. Staff have continually been posting and developing content for user engagement. Passengers can sign up for rider alert emails that are sent whenever there is a disruption or change in services. Route information and real-time bus arrival information is available to passengers through the free RouteShout app and the El Dorado Transit website.

## Direct Outreach

An ongoing public speaking program and mobility training is conducted to build a positive image within the community, build awareness of the services El Dorado Transit offers, and instruct both potential riders and gatekeepers on how to use the transit system. El Dorado Transit staff makes personal on-site presentations to business and community leaders, gatekeepers, potential rider groups, partner organizations, and human services providers. When necessary, presentations are targeted and timed to coincide with implementation of new, expanded, or modified services.

One-on-one transit training (mobility training) is a valuable tool that is available to potential riders to assist them in maintaining their independence and to access life-line services or employment opportunities. Passengers may schedule special training sessions, in-home appointments, or escorted transit rides with staff depending on individual needs. Mobility training is particularly effective in helping potential or first-time passengers become familiar with the available services and overcome any anxiety about using public transit.
