MEMORANDUM

DATE: March 2, 2017

TO: El Dorado County Transit Authority

FROM: Brian James, Planning and Marketing Manager

SUBJECT: Caltrans Division of Rail and Mass Transportation Low Carbon Transit Operations Program (LCTOP)

REQUESTED ACTION:
BY MOTION,

Adopt Revised Resolution No. 17-05 Authorizing the El Dorado County Transit Authority to execute the Caltrans Division of Rail and Mass Transportation Low Carbon Transit Operations Program (LCTOP), Fiscal Year 2015/16

BACKGROUND

The Low Carbon Transit Operations Program (LCTOP) is a component of the Transit, Affordable Housing and Sustainable Communities Program established by the California Legislature in 2014 under Senate Bill 862. The purpose of this program is to provide operating and capital assistance to transit agencies to reduce greenhouse gas emissions and improve mobility, with a focus on environmentally disadvantaged communities. Funding is available to current Public Utilities Commission (PUC) 99313, and 99314 fund recipients.

December 9, 2016 Caltrans posts updated LCTOP guidelines.

The El Dorado County Transit Authority (El Dorado Transit) adopted Resolution 17-05 on February 2, 2017. The allocation amount was incorrectly stated in the resolution. This requires Board adoption for a revised resolution.

DISCUSSION

El Dorado Transit is applying for \$78,928 in LCTOP funds to continue to partially fund the service enhancements that were implemented in Cameron Park effective July 6, 2015.

The project is based on the recommendations of the adopted 2014 Western El Dorado County Short- and Long- Range Transit Plan, June 2014. The project increases the service levels in Cameron Park from 180 minute headways (service every three (3) hours), to 60 minute

headways (service every hour) localized to Cameron Park.

This funding request complements currently programmed and approved Local Transportation Funds (LTF) as indicated in the Board approved FY2015/16 El Dorado Transit budget.

Revised resolution 17-05 is presented in strikethrough format to show the changes from the February 2, 2017 Board Adopted Resolution 17-05. The allocation amount was incorrectly stated in the initial Resolution 17-05.

FISCAL IMPACT

The Fiscal Year 2016/17 Caltrans Division of Rail and Mass Transportation Low Carbon Transit Operations Program (LCTOP) grant application represents a total of \$78,928 in potential revenue for FY2017/18 transit operations in Cameron Park.
