Local Route Changes

On Monday April 16, 2018 the following route changes on the local fixed routes will be implemented:

Route 30- Diamond Springs/El Dorado – There will be an additional request stop at the El Dorado Transit Offices after the Missouri Flat Storage Depot stop. The current request stop for the El Dorado Transit Offices after Independence High School will still be available. This change will give passengers a way to go to the El Dorado Transit office to purchase passes without waiting an hour for the next bus. Other changes to the route include changing the Independence High School stop to a request stop and time adjustments to some other stops to more accurately reflect actual travel times.

Route 35 - Diamond Springs/El Dorado Saturday – Time adjustments are being implemented to mirror the time adjustments to Route 30.

Route 40 - Cameron Park/Shingle Springs – The bus will service stops on Coach Lane and on Palmer Drive in both directions. As a result, time adjustments are being implemented at many of the stops on the route. These changes will give passengers better access to the bus stops at the major shopping areas in Cameron Park. The transfer point with the 50 Express will remain at the Ponderosa Road Park-and-Ride.

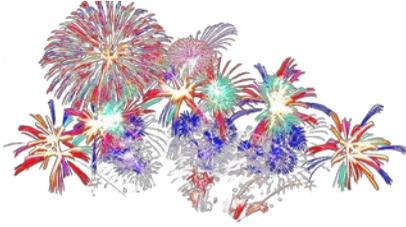

Route 50X - 50 Express – The stop at Intel will be moved from :58 to :55 each hour to more accurately reflect actual travel times.

Adult Day Services Transportation

For many years El Dorado Transit has provided transportation for participants of the Adult Day Services programs.

Formerly known as Senior Day Care, Adult Day Services operates two Adult Day Centers - one in Placerville and one in El Dorado Hills. The Centers provide a warm, nurturing and friendly setting, offering a world of activity for body, mind and spirit; helping adults remain active and involved in the world around them. Friendships blossom while participants enjoy activities designed to add meaning to their lives, improve mental and physical function, and increase their sense of worth. The Centers give families peace of mind and a break from caregiving responsibilities. Adult Day Services also provides supportive services, resources, education and respite care for family members who are taking care of those with dementia and other chronic health issues.

For information regarding transportation for the Adult Day Services program, please contact the Placerville Center at 530-621-6180 or the El Dorado Hills Center at 916-358-3560.
