MEMORANDUM

DATE: October 3, 2019
TO: El Dorado County Transit Authority
FROM: Maria Harris, Human Resources Manager
SUBJECT: Self Insurers Annual Report for Fiscal Year 2018/19

REQUESTED ACTION:

BY MOTION,

**Receive and File the El Dorado County Transit Authority
Self Insurers Annual Report Fiscal Year 2018/19**

BACKGROUND

On July 1, 2002 the El Dorado County Transit Authority (El Dorado Transit) moved the agency's worker compensation insurance coverage from the Association of Bay Area Governments (ABAG) Workers Compensation Insurance Pool (A Group Insurance Pool) into the Special Districts Risk Management Authority (SDRMA) Workers Compensation Insurance Pool (Self Insurance Program). The change in coverage resulted in improved claims management and cost savings.

El Dorado Transit contracts with a third party administrator, York Risk Services Group, Inc. (York) formally known as Gregory B. Bragg & Associates, Inc., to efficiently and effectively administer these open claims. As of June 30, 2019 none of the original claims remain open. Twelve (12) claims have been settled by the administrator.

DISCUSSION

Labor Code Section 3702.6(b) requires; *"Each public self insurer to advise its governing board within ninety (90) days after submission of the self insurer's annual report of the total liabilities reported and whether current funding of those liabilities is in compliance with the requirements of Government Accounting Standards Board Publication No. 10."* The action requested will meet these requirements.

York provides monthly statements with an estimated future liability using the probability of the future claims and estimated amount of the claims based on the injury. The estimated future liability reported by York as of June 30, 2019 (medical) is zero (0) as noted on the attached Self Insurers Annual Report for Fiscal Year (FY) 2018/19.

The self-insurance liability is adjusted annually and reported in El Dorado Transit financial statements. The liability was adjusted to \$0 (including expenses) on the financial statements for the period ending June 30, 2019. This represents no change from the estimated liability of \$0 on June 30, 2018.

Both Fiscal Years 2017/18 and 2018/19 posted expenses paid for all claims including expenditures of \$0 and \$0 respectively.

El Dorado Transit holds a separate bank account for claims distribution with a balance of \$17,296 as of June 30, 2019. Generally funds are transferred to this account if the balance is \$20,000 or less. El Dorado Transit does not have any open claims at this time, although there is the potential of liability through future medical awards.

There are currently two (2) claims that have been closed administratively but have the potential for re-opening if there are future covered medical expenses.

ALL Open Indemnity Claims (by reporting and by year) reported and with claims: CAOpenIndemList with 4850 - 3524 18-19.pdf

Dual Jurisdiction Claims

Please note that California Labor Code Section 3702.2(b) requires that "... the annual report of a self-insured employer who has self-insured both state and federal workers' compensation liability shall also be set forth (1) amount of all compensation liability incurred, paid-to-date, the estimated future liability under both this chapter and under the federal longshore and Harbor Worker's Compensation Act (33 U.S.C Sec. 901 et seq.), and (2) the identity and the amount of the security deposit securing the employer's liability under state and federal self-insured programs."

Accordingly, please indicate all California exposure on your Self Insurer's Annual Report, and, in addition identify each Claim with dual jurisdiction on Separate List of Open Indemnity Claims. For those claims, indicate the incurred, paid-to-date, and estimated future liabilities for federal exposure. Please also indicate the amount and the type of security deposit securing those claims.

Instructions To Claims Administrator For Specific Excess Insurance

The TPA should provide a sum of the unpaid excess carrier excess liability under "Calculation of Specific Excess Coverage Entry for the Annual Reports". In addition, provide a list of claims for which specific excess credit is being claimed. This may be provided as a spreadsheet. Indicate in the list of claims the following information:

The list shall include the name of the claimant, claim number, date of injury, description of injury, carrier name and policy number, policy coverage period, retention level of policy and paid to date in indemnity or medical benefits, and the estimated future liability of the claim minus the total unpaid employer retention, which equals the total unpaid carrier liability, whether the claim has been reported to a carrier, if the claim has been accepted by the carrier, if the carrier has denied any part of the liability of the claim.

Refer to OSIP website for sample format of the Excess Credit Calculation form.

Calculation Of Specific Excess Coverage Entry For Annual Reports:

Enter the sum of the total unpaid carrier excess liability claimed from the "Specific Excess Insurance Policy Coverage". If none enter "0". \$
