MEMORANDUM

DATE: February 6, 2020

TO: El Dorado County Transit Authority

FROM: Matthew Mauk, Executive Director

SUBJECT: Contract Award and Purchase Order in Response to Request for Qualifications (RFQ) for Preliminary Design and Engineering Services

REQUESTED ACTION:
BY MOTION,

- 1. Award contract for preliminary design and engineering services for the County Line Multi-Modal Transit Center to the lowest responsible bidder, consistent with the bid documents**
- 2. Approve Purchase Order No. 25247 issued to CTA Engineering in an amount not to exceed \$29,580**
- 3. Authorize the Executive Director to execute the contract, including change order authority not exceeding ten percent (10%) of the contract price and to execute all related documents necessary to complete the project within the approved budget**

BACKGROUND

Acquiring and preserving property for a new replacement Park-and-Ride facility in El Dorado Hills has become a critical issue as the existing El Dorado Hills Park-and-Ride facility, with approximately 120 parking spaces, does not have enough capacity to meet current demand.

In November 2017, the El Dorado County Transportation Commission (EDCTC) Board authorized their Executive Director to enter into a professional services agreement between EDCTC and Fehr & Peers to develop the County Line Multi-Modal Transit Center Study (Study) using a Caltrans grant. As part of that study effort, multiple stakeholder advisory committee meetings and public workshops were held in El Dorado Hills. These meetings and workshops provided the stakeholders and public an opportunity to offer input on potential Park-and-Ride sites and amenities.

On December 6, 2018, the El Dorado County Transit Authority (El Dorado Transit) Board directed the Executive Director to start the real estate acquisition process by authorizing preliminary discussions with property owners of the subject parcels identified in the Study, including ordering preliminary title reports and right of way valuations.

In September 2019, the EDCTC and El Dorado Transit Boards received the final version of the County Line Multi-Modal Transit Center Study. Multiple locations in El Dorado Hills were evaluated and narrowed down to six (6) sites based on several criteria. Upon further analysis and input, two (2) sites were recommended for further acquisition efforts.

DISCUSSION

On January 2, 2020, El Dorado Transit released a Request for Qualifications (RFQ) seeking proposals from qualified firms to provide preliminary design and engineering services and to produce conceptual site plans and preliminary engineering costs for the proposed County Line Multi-Modal Transit Center (MMTC). The selected firm will utilize and expand on the recently completed Fehr & Peers Study in completing the preliminary design work.

The purpose of this project planning document is to estimate the probable development costs of plans, specifications and estimates (PS&E) for the two sites identified in the Study and for a third, recently identified optional site. These estimated costs, when combined with the estimated right of way costs (not part of this project scope of work), will provide the basis for El Dorado Transit to pursue and secure funds to purchase the selected property and eventually construct the MMTC. Per the terms of the RFQ, the selected firm will be expected to:

- Prepare Conceptual Site Plans and Preliminary Engineering Cost Estimates, in general conformity to the design specifications as provided by El Dorado Transit and as illustrated in the Study, for Site #3 (APN 117-180-004-000) and Site #5 (APN 121-280-024-000), as identified in the Study.
- As an added Task, prepare a Conceptual Site Plan and Preliminary Engineering Cost Estimate for an alternative site not identified in the Study, Optional Site A (APN 118-170-017-000).

Three (3) proposals were received from qualified bidders prior to the published submittal deadline. The following table shows the base bids publicly opened at 2:00PM on January 21, 2020:

BIDDER	BASE BID
CTA Engineering	\$29,580
Kimley Horn	\$29,935
REY Engineers	\$29,991

All firms were determined to be responsive and were given maximum scores for complying with the requirements of the RFQ. Staff recommends award of the attached contract to CTA Engineering as the lowest responsible bidder, approval of Purchase Order No. 25247 and authorization for the Executive Director to execute the contract and related documents.

AUTHORIZATIONS

The Executive Director is authorized to approve purchases up to \$25,000. All purchases above \$25,000 require Board approval. The requested action will allow the Executive Director to

execute the professional services contract, approve change orders or scope revisions and use of funding assigned to the project within approved budgets. This would authorize the Executive Director to approve change orders not exceeding ten percent (10%) of the contract price. This does not increase the current approved purchasing authority afforded the Executive Director.

SCOPE OF WORK AND FEE SCHEDULE

SECTION 2 - SCOPE OF CONSULTING SERVICES – PRIMARY WORK & FEE
SCHEDULE

CONSULTANT agrees to perform all work described in Exhibit "A" entitled Project Scope of Work and Fee Schedule attached hereto and incorporated herein by this reference as if set forth in full.

SECTION 3 - SCOPE OF CONSULTING SERVICES - ADDITIONAL

It is understood by El Dorado Transit and CONSULTANT that it may be necessary, in connection with this project, for CONSULTANT to perform or secure the performance of related services other than those set forth in Exhibit "A". In such instance, CONSULTANT shall advise El Dorado Transit, in advance and in writing, of the need for such additional services, their cost and the estimated time required to perform them (if appropriate). CONSULTANT shall not proceed to perform any such additional service until El Dorado Transit has determined that such service is beyond the scope of the basic services to be provided by CONSULTANT, is required, and has given its written authorization to perform or obtain it. Each additional service so authorized shall constitute an amendment to this Agreement.

SECTION 4 – PURCHASE ORDER AND EFFECTIVE DATE OF CONTRACT; PROGRESS;
COMPLETION

Upon execution of this Agreement by the parties, El Dorado Transit shall give CONSULTANT a 'Purchase Order' for the work. Such notice may authorize CONSULTANT to render all of the services contemplated herein, or such portions or phases as may be mutually agreed upon. In the latter event, El Dorado Transit shall, in its sole discretion, issue subsequent notices from time to time regarding further portions or phases of the work. Upon receipt of such notices, CONSULTANT shall diligently proceed with the work authorized and complete it within the agreed time period.

SECTION 5 - TIME OF PERFORMANCE

CONSULTANT shall commence work within five (5) days following issuance of a Purchase Order. CONSULTANT shall complete the performance of its obligations under this Agreement in accordance with the dates and times indicated in Exhibit A, unless an extension of time is granted in writing by El Dorado Transit, which said extension, if any, shall be granted only for good cause as determined at the sole discretion of El Dorado Transit. CONSULTANT shall not be held responsible for delays beyond its reasonable control.

SECTION 6 - COMPENSATION

For services performed pursuant to this Agreement, El Dorado Transit agrees to pay and CONSULTANT agrees to accept as payment in full, all identified project costs on a cost reimbursement basis up to \$29,580.00 (Twenty-nine thousand Five-hundred and Eighty dollars) maximum amount.

CONSULTANT shall submit a bill upon completion of each of the tasks identified in said Exhibit "A", attached hereto. Payment shall be made by El Dorado Transit within 30 days of receipt of the billing for the completed task. No statements shall be sent until the task has been accepted as complete by El Dorado Transit. It is mutually agreed between the parties to this Agreement that no payments made under the Agreement shall be conclusive evidence of the performance of the Agreement, either wholly or in part, against any claim of the CONSULTANT, and no payment shall be construed to be in acceptance of any defective work or improper materials.

SECTION 7 - CHANGES TO SCOPE - BASIC

El Dorado Transit may at any time, and upon a minimum of ten (10) days written notice, modify the scope of basic services to be provided under this Agreement. CONSULTANT shall, upon receipt of said notice, determine the impact on both time and compensation of such change in scope and notify El Dorado Transit in writing. Upon agreement between El Dorado Transit and CONSULTANT as to the extent of said impacts on time and compensation, an amendment to this Agreement shall be prepared describing such changes. Execution of the amendment by El Dorado Transit and CONSULTANT shall constitute the CONSULTANT'S notice to proceed with the changed scope.

SECTION 8 - COMPLIANCE WITH LAWS, RULES, REGULATIONS

All services performed by CONSULTANT pursuant to this Agreement shall be performed in accordance and full compliance with professional standards regarding the interpretation of all applicable and non-conflicting Federal, State or County statutes, and any rules or regulations promulgated thereunder, as interpreted by the appropriate enforcement agency at the time of performance of this project.

SECTION 9 - EXHIBITS INCORPORATED

All Exhibits referred to in this Agreement and attached to it are hereby incorporated in it by this reference.

SECTION 10 - RESPONSIBILITY OF CONSULTANT

By executing this Agreement, CONSULTANT warrants to El Dorado Transit that he/she possesses, or will arrange to secure from others, all of the necessary professional consulting capabilities, licenses, certifications, experience, resources and facilities to provide to El Dorado Transit the services contemplated under this Agreement. CONSULTANT further agrees that he/she will follow the current, prevailing, generally accepted practice of the consulting profession to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding the project for which services are rendered under this Agreement.

SECTION 11 - RESPONSIBILITY OF EL DORADO TRANSIT

To the extent appropriate to the project contemplated by this Agreement, El Dorado Transit shall:

- A. Assist CONSULTANT by placing at his/her disposal all available information pertinent to the project, including previous reports and any other relevant data.
- B. Guarantee access to and make all provisions for CONSULTANT to enter upon public and private property as required for CONSULTANT to perform his/her services.
- C. Examine all studies, reports, proposals and other documents presented by CONSULTANT, and render verbally or in writing as may be appropriate, decisions pertaining thereto within a reasonable time so as not to delay the services of CONSULTANT.
- D. Designate in writing a person to act as El Dorado Transit's representative with respect to all work to be performed under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define El Dorado Transit's policies and decisions with respect to materials, equipment, elements and systems pertinent to CONSULTANT'S services.
- E. Furnish approvals and permits from all governmental authorities having jurisdiction over the project and such approvals and consents from others as may be necessary for completion of the Project.

SECTION 12 - TERM

The term of this Agreement shall commence upon El Dorado Transit's issuance to CONSULTANT of a Purchase Order for all or a portion of the work as hereinabove provided, and shall end upon El Dorado Transit's acceptance and payment for such portion of the work as was authorized by such notice, but in no event beyond the end of the Fiscal Year 2019/20 ending June 30, 2020.

SECTION 13 - TERMINATION FOR CONVENIENCE OF EL DORADO TRANSIT

El Dorado Transit may terminate this Agreement at any time by giving notice to CONSULTANT of such termination and specifying the effective date thereof, at least ten (10)

days before the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of El Dorado Transit, become its property. If this Agreement is terminated by El Dorado Transit as provided herein, CONSULTANT shall be paid a total amount that is the ratio of completed tasks, and mutually agreed percent-completed tasks, to total services as determined by El Dorado Transit, less payments already made under this contract. This proration shall be extended to cover any fixed fee charged for a fully completed product.

SECTION 14 - TERMINATION OF AGREEMENT FOR CAUSE

A. El Dorado Transit may, by written notice to CONSULTANT, terminate the whole or any part of this Agreement in any one of the following circumstances:

1. If CONSULTANT fails to perform the services called for by this Agreement within the time(s) specified herein, or any extension thereof; or
2. If CONSULTANT fails to perform the services called for by this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances does not substantially begin to correct such failure within a period of ten (10) days (or such longer period as El Dorado Transit may authorize in writing) after receipt of notice from El Dorado Transit specifying such failure.

B. In the event El Dorado Transit terminates this Agreement in whole or in part as provided in Paragraph "A" above, El Dorado Transit may procure, upon such terms and in such manner as it may determine appropriate, services similar to those terminated.

C. Except with respect to defaults of subcontractors, CONSULTANT shall not be liable for any excess costs if the failure to perform arises out of causes beyond the control and without the fault or negligence of CONSULTANT. Such causes include, but are not limited to, acts of God or of the public enemy, acts of government, in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes or unusually severe weather. In the event the failure to perform is caused by the default of a subcontractor, CONSULTANT shall not be liable for failure to perform, unless the services to be furnished by the subcontractor were obtainable from other sources in sufficient time and within budgeted resources to permit CONSULTANT to meet the required delivery schedule or other performance requirements.

D. Should the Agreement be terminated as provided in Paragraph "A" above, CONSULTANT shall provide El Dorado Transit with all finished and unfinished documents, data, studies, services, drawings, maps, models, photographs, reports, etc., prepared by CONSULTANT pursuant to this Agreement. Upon termination as provided in Paragraph "A" above, CONSULTANT shall be paid the value of the work performed, as determined by El Dorado Transit, less payments of compensation previously made. Payments previously made by El Dorado Transit to CONSULTANT shall be credited to the amount payable to CONSULTANT for allowable costs as provided herein, except, however, CONSULTANT shall be entitled to a proportionate fixed fee, if any, which in the opinion of El Dorado Transit, it has legitimately earned and was not related to the cause for which this Agreement was terminated.

E. If after notice of termination of this Agreement, as provided for in this Section, it is determined for any reason that CONSULTANT was not in default under the provisions of this Section or that the default was excusable under the provisions of this Section, then the rights and obligations of the parties shall be the same as if the Agreement had been terminated for the convenience of El Dorado Transit.

SECTION 15 - INTEREST OF OFFICIALS AND CONSULTANT

A. CONSULTANT hereby covenants that he or she has, at the time of the execution of this Agreement, no interest, and that he or she shall not acquire any interest in the future, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed pursuant to this Agreement.

B. CONSULTANT further covenants that in the performance of this work, no person having any such interest shall be employed.

SECTION 16 - SUBCONTRACTING

A. CONSULTANT shall not subcontract or otherwise assign any portion of the work to be performed under this Agreement without the prior written approval of El Dorado Transit.

B. In no event shall CONSULTANT subcontract for work in excess of the amounts shown in Exhibit A. Specialized services are those items not ordinarily furnished by a consultant performing the particular type of study.

C. All subcontracts shall be subject to the provisions contained in this contract between El Dorado Transit and CONSULTANT.

SECTION 17 - SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon and shall inure to the benefit of any successors to, or assigns of, the parties. CONSULTANT shall not assign, delegate or transfer the rights and duties under this Agreement or any part thereof without the prior written consent of the other party to this Agreement.

SECTION 18 - INDEPENDENT CONTRACTOR

El Dorado Transit and CONSULTANT agree that CONSULTANT is an independent contractor. CONSULTANT shall be solely responsible for the conduct and control of the work performed under this Agreement. CONSULTANT shall be free to render consulting services to others during the term of this Agreement, so long as such activities do not interfere with or diminish CONSULTANT'S ability to fulfill the obligations established herein to El Dorado Transit.

SECTION 19 - EQUAL EMPLOYMENT OPPORTUNITY

In connection with the performance of this Agreement, CONSULTANT shall not discriminate against any employee or applicant for employment because of race, color, age, creed, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

SECTION 20 - DISADVANTAGED BUSINESS ENTERPRISE (DBE)

2. **Nondiscrimination:** The CONSULTANT, with regard to the work performed by it during the Agreement, shall not discriminate on the grounds of race, religion, color, sex, age or national origin in the selection or retention of subcontractors, including procurements of materials and leases of equipment. The CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations,

including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.

3. Solicitations for subcontractors, including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiations made by the CONSULTANT for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, age or national origin.
 4.
