MEMORANDUM

DATE: December 2, 2021

TO: El Dorado County Transit Authority

FROM: Brian James, Planning and Marketing Manager

SUBJECT: El Dorado County Air Quality Management District AB2766 Grant Applications for County Fair Shuttle 2022 and 2023

REQUESTED ACTION:

BY MOTION:

Adopt Resolution No. 21-28 authorizing the Executive Director to submit an application to the El Dorado County Air Quality Management District AB2766 Motor Vehicle Emission Reduction Grant Program

BACKGROUND

The El Dorado County Air Quality Management District (EDC AQMD) published a request for proposals on November 8, 2021 to consider motor vehicle emission reduction projects funded with AB2766 Department of Motor Vehicle (DMV) surcharge fees. Funding for this grant program is derived from vehicle registration fees authorized by EDC AQMD for Clean Air Act projects. The deadline for grant submission is December 10, 2021

DISCUSSION

El Dorado Transit will prepare one (1) grant application that meets the emission reduction objectives of the AB2766 DMV surcharge grant program. The project will be the El Dorado County Fair Shuttle in 2022 and 2023

If approved for funding, the El Dorado County Fair Shuttle will reduce congestion, lower emissions related to excessive idling and provide a safe comfortable alternative to parking in and around the fairgrounds. The shuttle will provide a regional mitigation to traffic congestion on Placerville Drive and Highway 50 and will reduce pedestrian traffic along Placerville Drive.

With funding, parking and shuttle services will be provided beginning thirty (30) minutes before opening and ending thirty (30) minutes after closing on all four days of the County Fair's operations. The shuttle will be free to the public and will provide service from two (2) parking locations; the Library/Government Center on Ray Lawyer Drive, and the Ray Lawyer Drive Park & Ride on Forni Road. Shuttle buses will board and disembark Fair passengers at the Green Gate of the County Fairgrounds located on Placerville Drive. One (1) to five (5) transit

vehicles will be in simultaneous service during the Fair’s hours of operation. Staff will evaluate service and will scale back the number of shuttle vehicles according to demand. El Dorado Transit will provide all drivers, support vehicles, relief vehicles, and support personnel necessary for shuttle operations.

This proposed project meets the El Dorado County Air Quality Management District (EDC AQMD) goal of “providing the most motor vehicle emission reductions at the most cost-effectiveness per ton of emissions reduced.”

Staff requests that the Board adopt Resolution No. 21-28 authorizing the Executive Director to Submit an Application to the El Dorado County Air Quality Management District AB2766 Motor Vehicle Emission Reduction Grant Program.
