Staff Participation in Miners on Main Project

Many of the staff members at El Dorado Transit have had the opportunity to participate in the El Dorado County Chamber of Commerce Leadership El Dorado program. This year El Dorado Transit staff had the opportunity to take part in Class 14. At the end of the year long program, each class completes a service project to benefit the community. Our staff had the opportunity to help with the Miners on Main project which consists of 10 medallions hidden on Main Street between Sacramento Street and Clay Street. Each medallion includes a unique QR code that participants can scan with their phones to learn about individuals who had an impact on Placerville and El Dorado County during the California Gold Rush. A clue is also provided to guide participants to the next medallion.
